

Attention all Health professionals:

Newborn Hearing Screening

All DHBs are now offering newborn hearing screening free of charge, to every eligible baby born in their area, whether they are born in hospital or at home.

Contact the screeners for an appointment:

Free phone **0800 88 55 44**

N.B. Professional development points per National Screening Unit education module:

Please go to <http://www.learnonline.health.nz/> to access the NSU education modules
