Gore, Eastern Southland

Our environment is clean green, safe and family-friendly. Gore is the commercial and service centre for a large rural farming area. We are only about 1½ hours away from the beautiful Southern Lakes area of New Zealand which has some of the world's best outdoor pursuits and mountains, rivers and lakes. We are about an hour to the sea where you can go fishing, yachting, surfing and skin diving. Gore is the world's brown trout capital. Our local river, the Mataura, is reputed to be the best brown trout fishing river in the world. We have a thriving Arts and Heritage culture within the town also with the Hokonui Moonshine Museum, the Eastern Southland Art Gallery and several cultural events held on a yearly basis.
