Service & Directorate:	Strategy, Primary and Community Directorate
Location:	Invercargill
Reports to:	Operationally: Allied Health Unit Manager Professionally: Physiotherapy Professional Lead
Number of direct reports:	Nil
Date:	July 2020

Our Vision

Better Health, Better Lives, Whānau Ora

We work in partnership with people and communities to achieve their optimum health and wellbeing
We seek excellence through a culture of learning, enquiry, service and caring

Our Shared Values and Behaviours

Kind <i>Manaakitanga</i>	Open <i>Pono</i>	Positive <i>Whaiwhakaaro</i>	Community <i>Whanaungatanga</i>
<p>Looking after our people: We respect and support each other. Our hospitality and kindness foster better care.</p>	<p>Being sincere: We listen, hear and communicate openly and honestly. We treat people how they would like to be treated.</p>	<p>Best action: We are thoughtful, bring a positive attitude and are always looking to do things better.</p>	<p>As family: We are genuine, nurture and maintain relationships to promote and build on all the strengths in our community.</p>

Our statutory purpose

To improve, promote and protect the health of our population

- Promote the integration of health services across primary and secondary care services
- Seek the optimum arrangement for the most effective and efficient delivery of health services
- Promote effective care or support for those in need of personal health or disability support services
- Promote the inclusion and participation in society and the independence of people with disabilities
- Reduce health disparities by improving health outcomes for Māori and other population groups
- Foster community participation in health improvement and in planning for the provision of and changes to the provision of services
- Uphold the ethical and quality standards expected of use and to exhibit a sense of social and environmental responsibility

PURPOSE OF ROLE
<p>Allied Health, Public Health, Scientific and Technical professionals work in teams providing a range of diagnostic, technical, therapeutic, direct patient care and support services that are critical to the other health professionals they work with and the communities they serve. This includes health professionals working to improve, promote and protect the wellbeing of the population.</p> <p>This role will work collaboratively with all health professionals as well as the wider multi-disciplinary team throughout the Southern DHB in a way that is consistent with the organisation’s vision and values. This includes interprofessional practice where multiple health workers from different professional backgrounds work together with patients, families, caregivers and communities to deliver the highest quality of care. This way of working will ultimately benefit all our patients and communities.</p>

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.
